**Discussion**

**04 ●**  
**What's Next**

# Introduction

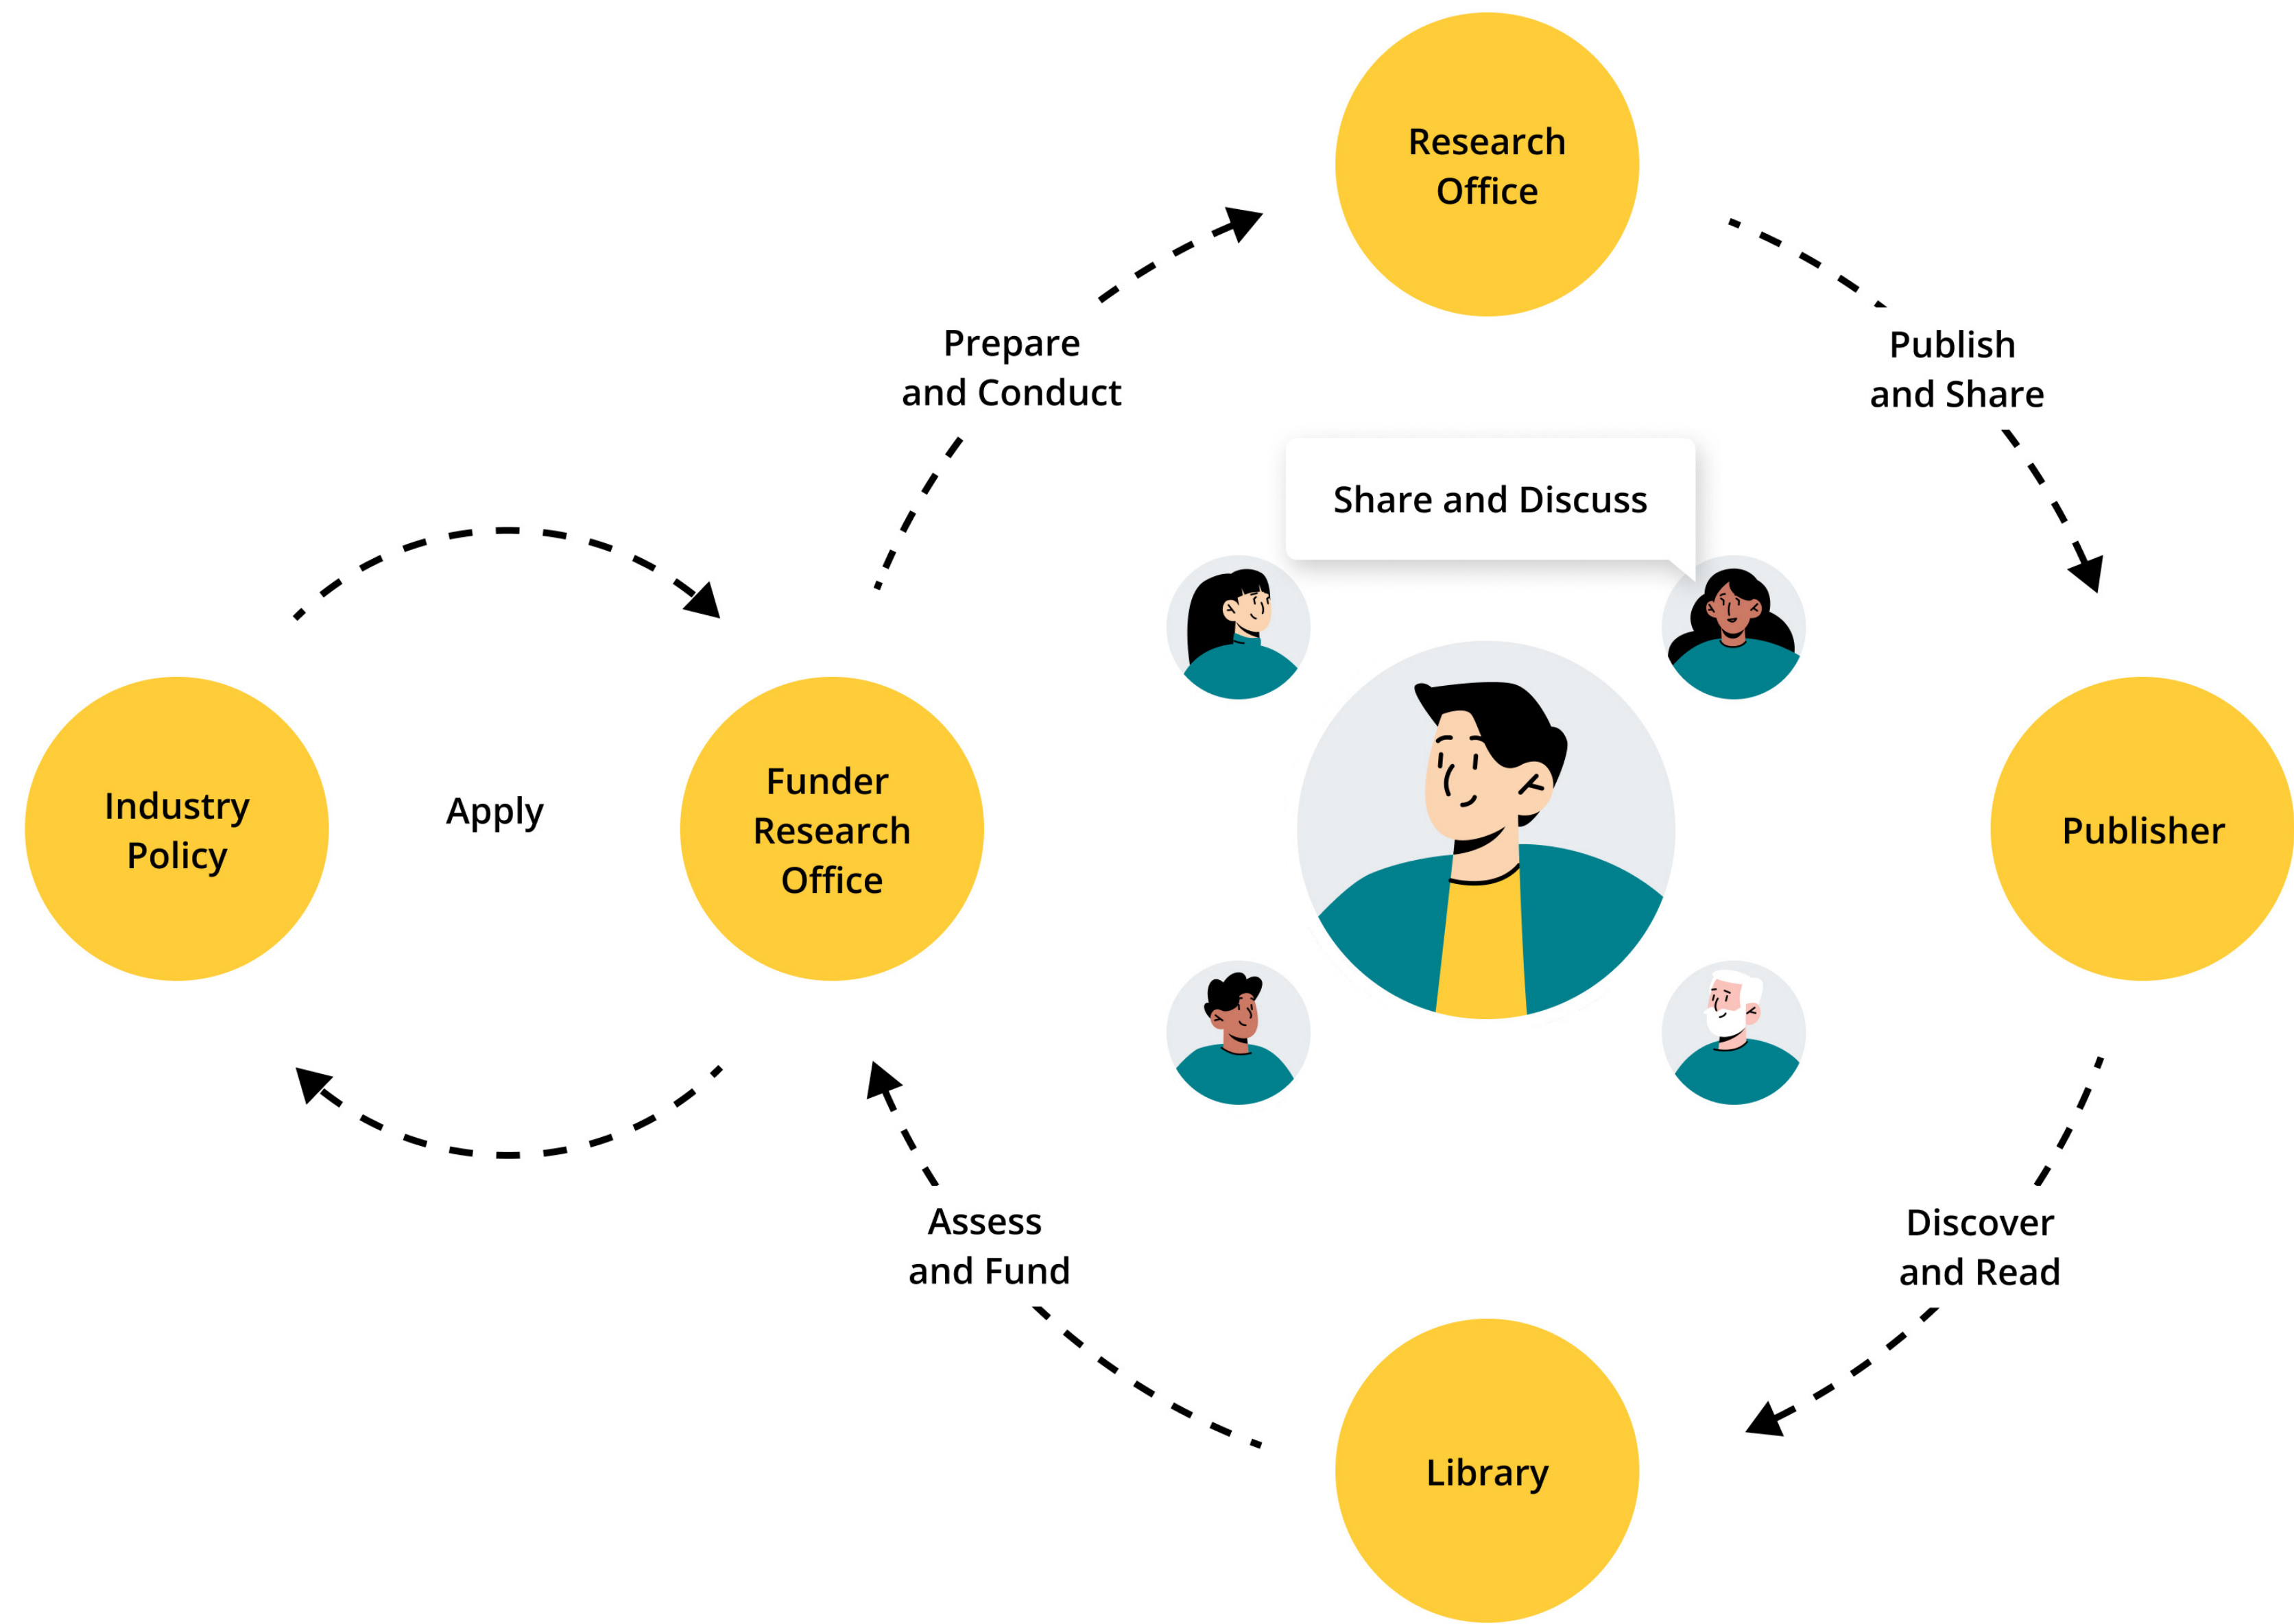

# AUTHOR EXPERIENCE

Paul Killoran  
**EX ORDO**

Jennifer Regala  
**American Urological Association**

American  
Urological  
Association

# Claire Moulton

**THE COMPANY OF BIOLOGISTS**

# The Forest of Biologists [forest.biologists.com](http://forest.biologists.com) Young People's Forest at Mead, Derbyshire

The Forest of Biologists [forest.biologists.com](http://forest.biologists.com)  
Great Knott Wood, Lake District National Park

# The Forest of Biologists [forest.biologists.com](https://forest.biologists.com)

This tree was planted for the article:  
**Blood python (*Python  
brongersmai*) strike kinematics  
and forces are robust to variations  
in substrate geometry**

# Discussion and Q&A

# Newsletter & Events List

The screenshot shows the ChronosHub website header with navigation links: About Us, Services, News, Stories, Events, Contact, Free Demo, and Get started. Below the header is a 'Subscribe' section with the text 'Subscribe to our newsletter, event list or both right here!'. The main content area features a 'Newsletter Sign Up' form with the following fields: Full Name\*, Email\*, Organization, and Job title. A 'Sign up' button is located at the bottom of the form. To the right of the form, there is a paragraph of text: 'Are you a researcher, publisher, funder, or otherwise involved in the research publishing landscape? Sign up for our newsletter to stay informed on the latest developments in research publishing, open access complexities, customer case stories, future webinars, events, and more. We only send out our newsletter once a month and promise to never send you anything else.'

Sign up for our newsletter to stay informed on the latest developments in research publishing, open access complexities, customer case stories, future webinars, events, and much more.

We only send out our newsletter once a month—less is much more.
